# BRELAND & FRIENDS

Last year was just the beginning! A show described by many as, "The best concert I've ever been to!" Join us, once again, for this special evening as BRELAND & Friends take center stage at Nashville's most iconic venue, the Ryman Auditorium. Be ready to put your hands together as BRELAND performs hits from his debut album, "Cross Country." And that's not all! All around town, BRELAND is known for his collaborations and vast network of "friends" - including those who joined his all-star lineup last year- Kane Brown, Sam Hunt, Dierks Bentley, Charles Kelley, Mickey Guyton, Jimmie Allen, Nelly and the list goes on!

***With friends like these? You just never know who might join BRELAND on stage!***

## About Oasis Center

**Oasis Center** is one of Middle Tennessee's most comprehensive youth development agencies, engaging over 4,000 young people and their families every year, across a broad spectrum of opportunities. At Oasis, we believe in the power of people and that our greatest impact happens when we come together and provide opportunities for our youth to feel connected, loved, valued and safe. To accomplish this, our 20+ programs and services are aligned within two focus areas:

- **Crisis to Housing** programs and services are designed to support marginalized, vulnerable youth in gaining long-term safety, stability and self-sufficiency. This includes a spectrum of programs and services for youth who are homeless, have run away, or are experiencing significant family crises; and
- **Youth Action, Advocacy, and Education** programs are comprised of over 10 school-based and out-of-school-time programs dedicated to empowering young people to be catalysts for social change and achieve personal and academic success. While diverse in focus, these programs help youth, ages 11-18, develop leadership and life skills, make healthy choices, foster a sense of purpose, and take responsibility for creating change on the issues that matter most to them and our communities.

We've been around for over 50 years because we recognize that we can't do any of this alone. All of our services are free-of-charge, thanks in large part to the generosity of our Nashville community.
