# OUR MISSION

BUILDING RELATIONSHIPS THAT  
ADVANCE YOUTH WELL-BEING,  
AMPLIFY YOUTH VOICE, AND  
INSPIRE ACTION TOWARD A  
JUST COMMUNITY

# ABOUT OASIS

Located in Nashville, **Oasis Center** is a nationally-recognized organization on a mission to help young people in Middle Tennessee transition into happy, healthy, and productive adulthood.

In 1969, a group of young lawyers came together to establish the "Rap House," a simple community center for runaway teens and youth struggling with addictions. More than 50 years later, the "Rap House" has evolved into Oasis Center, where more than 3,500 youth and their families turn for help and support every year.

Oasis provides a wide range of opportunities that reflect the diverse needs of youth and their families, from crisis intervention to youth leadership and community engagement to college and career access. Our 20+ programs and services are based on the foundation of four areas for youth success – **Safety, Belonging, Empowerment, and Generosity**. All of our work is also firmly rooted in the evidence-based principles of Positive Youth Development and Trauma-Informed Care.

With *your* help,  
we achieved great  
things.

# OUR IMPACT

Like many social services organizations, Oasis Center's ability to deliver programming and services during the pandemic was difficult.

But with the support of our generous donors, wonderful partner organizations, amazing community members, incredible volunteers, and exceptional staff, we were able to shift our programming, allowing us to continue serving our youth participants. With your help, we have finally been able to resume regular programming.

We are grateful to all our partners who helped make 2022 another successful year for Oasis Center!

## YOUTH ACTION, ADVOCACY, & EDUCATION HIGHLIGHTS

### *Just Us*

was recognized for its outstanding service to Middle Tennessee's LGBTQ+ youth and awarded **Non Profit of the Year** by the Nashville LGBT Chamber. Just Us Manager, Joseph Clark, also received the Chamber's **Advocate of the Year** award!

Just Us provided a safe and welcoming space (both in-person and online) for **93 middle and high school youth**. On average, young people traveled 50 miles to participate in in-person programming. Several traveled over 100 miles, crossing state lines and driving up to 272 miles, roundtrip, from rural parts of Tennessee.

### *Teen Outreach Program (TOP)*

Last year, we trained **115 staff** on how to implement the TOP Model, including effective service learning and social emotional strategies. Oasis TOP Trainers provided training to caretakers in **20 facilities**.
