Oasis Center is excited to announce **BRELAND & FRIENDS** coming April 8, 2026!

Now in our fifth year, one of Nashville's most exciting concert events is back to raise funds for young people at Oasis! Join us at the Ryman where only the most iconic venue could contain the talent and community found at BRELAND & Friends! BRELAND is known for his collaborations and vast network of friends, including those who joined his all-star lineup the last few years: Josh Groban, Vince Gill, Keith Urban, Kane Brown, JoJo, Dierks Bentley, The War and Treaty, Mickey Guyton, Nelly, Joy Oladokun, X Ambassadors, and so many more!

About Oasis Center

Oasis Center is one of Middle Tennessee's most comprehensive youth development agencies, engaging 3,500 young people and their families every year, across a broad spectrum of almost 20 programs and services.

Crisis to Housing and **Clinical Services** are designed to support marginalized, vulnerable youth, ages 13-24, in gaining long-term safety, stability, and self-sufficiency. From the moment a young person walks through our doors, a team of caring adults is with them every step of the way, from providing a meal, a temporary stay in our shelter, and free individual and family counseling to helping secure permanent housing or connecting them with additional resources to help them stay off the streets and live safe, healthy, happy lives.

Youth Action, Advocacy, and Education Programs are comprised of more than 10 school-based and after-school programs dedicated to empowering youth to be catalysts for social change and to succeed in achieving what feels impossible: becoming the first person in their family to graduate from college, exploring a world of possibilities outside the juvenile justice system, feeling loved and accepted no matter who they are or who they love, having their perspectives valued and their voices heard, or developing previously untapped creativity.
